

## How to find us

Beatrice is moored on the Caldon Canal at Cheddleton, adjacent to the A520 road. The postcode is ST13 7HN.

At the bottom of the hill, opposite the Bateman factory, follow the brown sign pointing to the Cheddleton Flint Mill. If coming from the Potteries, Stone or Stafford, through Wetley Rocks, turn left. If coming from Leek turn right.

Follow the track adjacent to the canal. Please be aware this track is very narrow. It is part of the canal towpath and is shared by pedestrians and cyclists and is close to the water.

The car park is beyond the Flint Mill. If the barrier is closed our crew will be looking out for you and will come to open it.

All vehicles should be parked at the far end of the car park. Our crew will give directions. Please do not use the disabled parking space, which is reserved for mill visitors.
